Manager Jody Norman gave an admin update: We have been mowing on the state highway for one week and there will be a second mower starting to make sure it is complete by the 4th of July. The paving projects are half way done at this time. CR 410 & CR 414 are on hold until the Fall. The crew will start hauling in 3-4 weeks. The drill test at Moss Lake came back better than expected and we are moving forward with purchasing the pit. Our gravel chip supply is low and there are some issues with getting new chips made in a timely manner, so Manager Norman is looking into different places we can get chips from.
