Manager Jody Norman gave an admin update: We are spending approx. \$4 million on road projects this year and the townships are paying for roughly \$700,000. Our MDOT budget has been depleted and we are now only doing regular maintenance jobs such as mowing and deer pickup. The crew has been busy prepping for seal coating & summer help has been crack sealing. Jake King is hauling chips to different locations for us. The two storage containers are here that will be used for storing tires, signs and other items. The doors at Ensign have been switched over to the new remotes, but the gate is still not working. Jody had a meeting last Thursday with Senator McBroom, Beau LaFave & other townships to discuss the ongoing deer issue. He also sent a survey to some counties down state and found out that Oakland County is also having issues with deer pickup.

It was moved by Vice-Chairman Bjork, seconded by Commissioner Stempki to approve Bills Payable Voucher No. 2574 in the amount of \$300,654.05 & Payroll Voucher No. 69133 in the amount of \$79,919.87 as presented and reviewed.
