Under Public Concerns – Rebecca Keith was present to discuss her concerns about living on the seasonal portion of North Rock 38<sup>th</sup> Rd. She requested that more maintenance be done to the road so her and her husband could get in and out to their property that they reside in year-round. It was discussed that the portion of road she resides on is not viable to be maintained year-round, that is why it is seasonal. Manager Jody Norman gave her the option to build it up to a Class A road – which would be a written agreement between Rebecca, the township, and the Road Commission where the costs would be split three ways.

Todd Tardiff was present to discuss drainage issues on a private road. It was discussed that the Road Commission does not maintain private roads due to insurance liability.
